

## **ONLY GOD COULD THINK OF THAT**

Who would seek the King of Kings in a cattle stall  
Who would seek a tiny baby on a bed of straw  
A choir of angels to announce the Christ the Lord had come at last  
Only God could think of that

Only God would send the babe to save the world that he had made  
Nothing could be stranger than a savior in a manger  
Who would think of such a plan no ordinary mortal man  
Only God could think of that

They sought him in Jerusalem in the temple square  
They looked for him in Herods' court but Jesus wasn't there  
They did not even think to ask the shepherds what had come to pass  
Only God could think of that

Only God would send the babe to save the world that he had made  
Nothing could be stranger than a savior in a manger  
Who would think of such a plan no ordinary mortal man  
Only God could think of that

Bridge

Who would have dreamed who would have thought  
This plan would lead him from a crib to a cross

Only God would send the babe to save the world that he had made  
Nothing could be stranger than a savior in a manger  
Who would think of such a plan no ordinary mortal man  
Only God could think of that

Only God could think of that  
Only God could think of that

## O HOLY NIGHT

O Holy Night! The stars are brightly shining,  
It is the night of our dear Saviours' birth.  
Long lay the world in sin and error pining.  
Till He appeared and the soul felt its worth.  
A thrill of hope the weary world rejoices,  
For yonder breaks a new and glorious morn.

Fall on your knees! Oh, hear the angel voices!  
O night divine, O night when Christ was born;  
O night divine, O night, O night divine!

Truly He taught us to love one another,  
His law is love and His gospel is peace.  
Chains shall he break, for the slave is our brother.  
And in his name all oppression shall cease.  
Sweet hymns of joy in grateful chorus raise we,  
Let all within us praise His holy name.

Fall on your knees! Oh, hear the angel voices!  
O night divine, O night when Christ was born;  
O night divine, O night, O night divine!  
O night( O holy) night (divine), O holy night, O holy  
O night O holy night

## **ON MY FATHER'S SIDE**

JUST A YOUNG BOY IN THE TEMPLE ONE DAY  
SHARED WITH THE DOCTOR'S, THEY WERE SO AMAZED  
NEVER HAD THEY SEEN ONE SO YOUNG SPEAK SO SWIFT  
THEY ASKED HIM MANY QUESTIONS, THE CONVERSATION WENT LIKE THIS

WHAT'S YOUR NAME SON?

ON MY MOTHER'S SIDE, MY NAME IS JESUS  
BUT ON MY FATHER'S SIDE THEY CALL ME EMMANUEL

HOW OLD ARE YOU?

ON MY MOTHER'S SIDE NOW I'M 12 YEARS  
BUT ON MY FATHER'S SIDE I'VE JUST ALWAYS BEEN

WHERE ARE YOU FROM?

ON MY MOTHER'S SIDE I'M FROM BETHLEHEM  
BUT ON MY FATHER'S SIDE IT'S THE NEW JERUSALEM

WHAT'S YOUR PLAN?

ON MY MOTHER'S SIDE I'LL BE CRUCIFIED  
BUT ON MY FATHER'S SIDE IN 3 DAYS I WILL RISE  
AND I'LL SIT AT MY FATHER'S SIDE

HE WAS THE SON OF GOD YET THE SON OF MAN  
AND I CAN'T HELP BUT WONDER HOW JOSEPH MUST HAVE FELT  
THROUGH AN OPEN DOOR THAT DAY HE HEARD HIS SON REPLY  
HE SAID "YOU SEE I'M THE KING OF KINGS, THAT'S ON MY FATHER'S SIDE"

## HE SAW IT ALL

I was working in town one afternoon,  
Attending some business affairs;  
When heard a commotion a couple of streets over,  
And wondered what's happening there?

A young man was running from in that direction,  
And stopped just to catch his breath;  
I asked him to please tell me what was the hurry,  
He smiled up at me and he said...

I was trying to catch the crippled man,  
Did he run past this way?  
He was rushing home to tell everyone,  
What Jesus did today.

And the mute man was telling myself and the deaf girl,  
He's leaving to answer God's call;  
It's hard to believe, but if you don't trust me,  
Ask the blind man he saw it all.

Ask the blind man he saw it all.

My friend if the troubles and burdens you've carried,  
Are heavy and dragging you down;  
And You've tried everything you can possibly think of,  
But there's no relief to be found.

That very same Jesus that altered the future,  
Of the blind man the deaf and the lame;  
Is still reaching out in your hour of trouble,  
One touch and you're never the same.

And you'll be trying to catch the crippled man,  
Did he run past this way?  
He was rushing home to tell everyone,  
What Jesus did today.

And the mute man was telling myself and the deaf girl,  
He's leaving to answer God's call;  
It's hard to believe, but if you don't trust me,  
Ask the blind man he saw it all.

Ask the blind man he saw it all.

He saw it all.

## That Soul Was Mine

In a dream last night I stood upon a hillside.  
And in the shadow of a cross I realized  
That this place was where I first met my Redeemer  
I saw salvations plan unfold before my eyes

Chorus

I saw a place where a multitude had gathered.  
I saw the Man who bled and died upon the tree.  
He saw one lost and desperate soul somewhere in time.  
That place was Mount Calvary.  
That man was Jesus  
And that soul was mine.

I saw the crown of thorns they placed upon His head.  
My eyes beheld the mother weeping at His feet.  
I saw the dirt turn moist with each drop of blood that fell.  
And when I woke I cried of all He did for me

Chorus

I saw a place where a multitude had gathered.  
I saw the Man who bled and died upon the tree.  
He saw one lost and desperate soul somewhere in time.  
That place was Mount Calvary.  
That man was Jesus  
And that soul was mine.

Repeat chorus

That place was Mount Calvary.  
That man was Jesus and that soul was mine.

## RESURRECTION MORN

There was quite a stir in Jerusalem  
It was known most everywhere  
That Jesus had been crucified and his body buried there  
His disciples with their fear and doubt had gathered to weep and morn  
When Mary boldly announced to them  
I have seen the Lord

And hope was reborn on resurrection morn  
Where life was gone new life had come and hope was restored.  
So don't be afraid God keeps the promises he made  
In the mist of our storm remember hope was reborn on resurrection morn

Some days I spent in the graveyard  
Where living is no life at all  
I worry and fret or I wonder and guess  
But that doesn't change my thoughts  
My mind moves to what I know to be true when my faith begins to fade  
My God has the power to do anything even raise me from the grave.

Cause hope was reborn on resurrection morn  
Where life was gone new life had come and hope was restored.  
So don't be afraid God keeps the promises he made  
In the mist of our storm remember hope was reborn on resurrection morn

In the mist of our storm remember hope was reborn on resurrection morn

## **KNOW ONE ELSE COULD DO WHAT HE HAS DONE**

Who could come from heaven and be born of a virgins' womb  
What king could die for all man sin and be laid in a borrowed tomb  
What man could raise up from the dead and descend to heavens throne  
No one else could do what he has done

No one else could take the burden from me  
No one else could melt this heart of stone  
It took Jesus and the blood he shed on Calvary  
No one else could do what he's done for me

No one else could take the burden from me  
No one else could melt this heart of stone  
It took Jesus and the blood he shed on Calvary  
No one else could do what he's done for me

Who love could take wicked heart and make it white as snow  
Who blood could take ruined life and make pure and whole  
There is only one man who can set a sinner free  
No one else could do what he's done for me

No one else could take the burden from me  
No one else could melt this heart of stone  
It took Jesus and the blood he shed on Calvary  
No one else could do what he's done for me

No one else could take the burden from me  
No one else could melt this heart of stone  
It took Jesus and the blood he shed on Calvary  
No one else could do what he's done for me  
For me  
For me

## I WILL TRUST YOU LORD

Its funny how we do it compartmentalize  
We plan for success and try to pass the pain right by  
But is just doesn't work that way  
God has a different plan  
He works is ways we've never seen  
Beyond the scope of man

When my journey takes a detour unexpectedly  
And I try to except and understand what it all means  
When I pressed to show the world what I really believe I will trust you lord

When my heart begins to faint because I see a life so frayed  
And my soul cries out O Lord how long can I keep this at bay  
In the fieriest part of battle when my feet don't want to stay  
I will trust you lord  
I will trust you lord, with my life

I may not under stand it and even question why  
What good could ever come form this has even crossed my mind  
But God's teaching me to trust him more as he works his will in me  
I rest securely in his will and surrender sure is sweet

When my journey takes a detour unexpectedly  
And I try to except and understand what it all means  
When I pressed to show the world what I really believe I will trust you lord

When my heart begins to faint because I see a life so frayed  
And my soul cries out O Lord how long can I keep this at bay  
In the fieriest part of battle when my feet don't want to stay  
I will trust you lord  
I will trust you lord, with my life

## SHOULD WE NEGLECT THE CAUSE

When Jesus journeyed here he traveled far and near  
With one main cause to seek and save the lost  
Though his followers condemned him so when to a sinner he would go  
Still he pressed on His message to bestow

Should we neglect the cause  
Should we forget the lost  
And fail to point the sinner to the cross  
Then will our labor be in vain  
If we deny Jesus name to the world dying in their shame  
Should we neglect the cause

Look now into the field  
It has much fruit to yield  
But sad to say that laborers are few  
To busy seeking wealth and fame worldly good selfish gains  
Not knowing they will never mean a thing

Should we neglect the cause  
Should we forget the lost  
And fail to point the sinner to the cross  
Then will our labor be in vain  
If we deny Jesus name to the world dying in their shame  
Should we neglect the cause

Bridge  
One by one they go people dying everywhere who will never know, that Jesus  
really cares.

Should we neglect the cause  
Should we forget the lost  
And fail to point the sinner to the cross  
Then will our labor be in vain  
If we deny Jesus name to the world dying in their shame  
Should we neglect the cause

Should we neglect the cause

Should we neglect the cause

## WAKE THE TOWN

Like Paul Revere in days of old telling that the British would come  
We've got a message that we should tell our days on earth are almost done  
Our days are almost done

Wake the town and tell the people  
Jesus is coming soon  
Wake the town and tell the people  
There's gonna be a day of glory and there's gonna be a day of doom  
Wake the town

Now you can't live a life with a heart that's cold  
Gotta have a fire inside  
Tell the world all about the cross and how to have eternal life  
How to have eternal life

Wake the town and tell the people  
Jesus is coming soon  
Wake the town and tell the people  
There's gonna a day of glory and there's gonna be a day of doom

Wake the town tell about heaven and hell  
Wake the town we've gotta message to tell  
Wake the town and tell the people  
Jesus is coming soon  
Wake the town and tell the people  
There's gonna be a day of glory and there's gonna be a day of doom  
Oh wake the town  
Wake the town  
Oh wake the town
